## EVERY DAY - Hineni

Words: Susan Colin, Genesis 22:1; Exodus 3:4 Music: Susan Colin © 2005

Abraham said to God, "Here I am." Moses said to God, "Here I am." More than a response to a call, "Hineni" implies a readiness to be fully present with body, mind and spirit.

Hineni, here I am
Finding you was easier than I thought it would be
Hineni, here I am
With peace that I longed for right inside of me

Years went past that I struggled
Feeling lost and unsure
Then I found out there you were
Now, here I am
Hineni, here I am
