

SHABBAT FAVORITES – Red is the Sky

Words: Fanchon Shur Music: Itzhak Edel © 2003

Red is the sky
Where the sun comes to rest
To welcome Sabbath eve

Shadows cover the long
Mountain crest
To welcome Sabbath eve

And I wait for the stillness in me,
And I wait to be open and free

Shabbat shalom, Shabbat shalom
me-nu-chah ve-sim-chah hayom
