ev - ery day__ is a new day.__ So long as the earth en -

14 C  Dm 

dures seed - time__ and har - vest,__

17 G  B^b  C 

cold and heat, sum - mer__ and

Every day is a new day

20  

win - ter, — day and night

23      *to verses*

shall — not — cease.

26  

Some wrongs I can't right, — but if day

29   

fol - lows night, I can start a - gain, I — can

32    

start a - gain.

35  

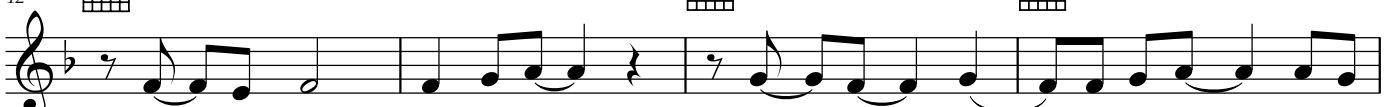

har - vest is fear, — fear and an - ger and tears, I can

38      

plant a - gain, I — can plant a - gain.

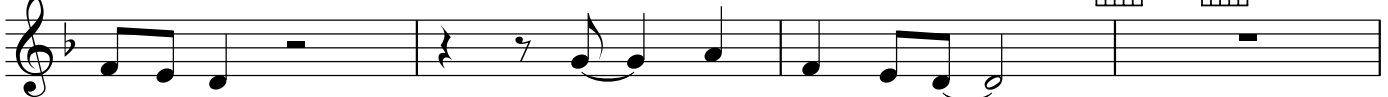

Every day is a new day

42    

If the tide hits the shore, bring- ing waves in a roar, I can

46     

float a gain, I can float a - gain.

50 

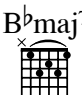

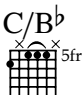

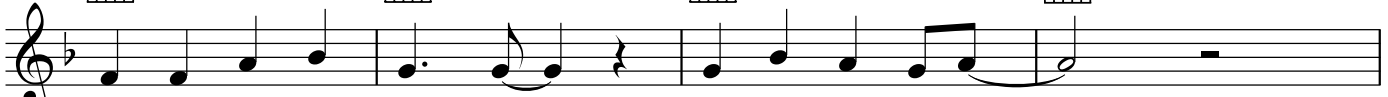

If the sun warms a - way the wa - ters

53       

of to - day, I can try a - gain, yes, I can try a - gain.

58    

Sum mer fol - lows win - ter, day turns in - to night.

62  

Ice melts down to wa - ter - falls. And

64   

grass grows green and bright.
