Praised are You, Adonai our God, Sovereign of the Universe, who has made the great sea, who has such beauty in the world, source of creation

[On seeing the ocean; on seeing trees or creatures of unusual beauty; on seeing lightning, shooting stars, mountains, or sunrises]

Praised are You, Adonai our God, Sovereign of the Universe, who makes people different; who is good and causes good things to happen, source of creation

[On seeing someone of abnormal appearance; on hearing good news]

*May God give strength to his people
May Adonai bless his people with peace*

Praised are You, Adonai our God, Sovereign of the Universe, whose mighty power fills the entire world; who is the true Judge, source of creation

[On hearing thunder; on hearing tragic news]
