

THE WORK OF A LIFETIME – The Work of a Lifetime

Lyrics: R. Simcha Zissel Ziv, Susan Colin, Shem Tov Ben Palquera (13th c Spain)

Music: Susan Colin

It is the work of a lifetime, the work of a lifetime
And that is why we're given a lifetime to do it

If fear is like a rock, then I am a hammer.
If sorrow is a fire, then I am the sea.
When it comes, my heart increases its strength,
Like the moon that shines brighter
When the darkness falls.

Give me strength, give me wisdom
Give me patience, give me faith
Wisdom of the centuries
One life, use it well
